Open in a closed minded way
Never say never again
Corrupted in an uncorruptable way
Never able to justify
Goodbye

'Cause I don't want to leave this place again
You loved me, you lust me
Then you threw me away

Believed in an unbelievable way
My eyes are those that see the fallaway
Freezing because I couldn't melt the pain
You took me, you broke me, you killed me again
Goodbye

'Cause I don't want to leave this place again
You loved me, you lust me
Then you threw me away

You say I am wrong
And you say I am gone
(But I won't leave now)
Like a rusty broken thing that somehow feels like home

Take me to the waterside
As cherished as we were
Let me push your mind aside
Because nothing here's for sure

You say I am wrong
And you say I am gone
(But I won't leave now)
Like a rusty broken thing that somehow feels like home

Yeah, yeah, yeah, yeah

Take me to the waterside
As cherished as we were
Let me push your mind aside
'Cause nothing here's for sure
