Da da da da  
Da da da da

Da da da da  
Da da da da

The stairs going down going down  
Da da da  
The stairs going down going down  
Da da da  
The stairs represent the part of our lives  
When everything seems so down  
And you are so low  
Nothing seems to go right  
And everything is down (down down down)  
And slow

Da da da da  
Da da da da

The stairs going down going down  
Da da da  
The stairs going down going down  
Da da da  
The stairs are an obstacle  
That we must breathlessly climb  
And when we get to the top  
We are true heros  
For these are stairs going down  
Da da da  
And down  
Da da da  
And down  
Da da da  
(fade)
