Da da da
Da da da

There is a town
And in this town
There is a street

And on this street
There is a house
And in this house
There is a room

Da da da
Da da da

And in this room
There is a box
And in this box
There is a house

And in this house
There is a room

Da da da
Da da da

And in this room
There is a box
And in this box
There is a cake

And on this cake
There are some words

Words on the cake,
Cake in the box,
Box in the room,
Room in the house,
House in the box,
Box in the room,
Room in the house,

House on the street,
Street in the town...

...That goes to sleep
