We're not gonna do it in the bedroom
We're not gonna do it in here
We're not gonna do it in the bathroom
We're not gonna do it in here

We're not gonna do it in the living room
We wanna make it cool
Perhaps we're gonna do it in the backroom
But there is one rule

We're not gonna do it in the backyard
We're not gonna do it in here
We're not gonna do it on the record
We're not gonna do it in here

We're not gonna do it in the suburbs
We wanna make it cool
Perhaps we're gonna do it by downtown
But there is one rule!

We're not gonna do it in America
We're not gonna do it in the USA
We're not gonna do it in America
We're not gonna do it in the USA

We're not gonna do it in nature

We're not gonna do it on the stage
We're not gonna do it in the dressing room
We're not gonna do it in a costume

We're not gonna do it for the swing man
We're not gonna do it for the kingdom
Perhaps we're gonna do it for an evidence
Perhaps we're gonna do it for the presidents

We're not gonna do it in America (x5)
We're not gonna do it in the USA

We're not gonna do it in America
We're not gonna do it in America

We're not gonna do it in America
We're not gonna do it in the USA
(X3)

We're not gonna do it in America
We're not gonna do it in America
We're not gonna do it...
We're not gonna do it...
We're not gonna do it in the USA
(X2)
