He puts the gun to her head  
She tells him everything  
Her voice is haunted like a dream  
He sews the crack in his heart  
Before he tears her apart  
In the basement underneath  
He says,

Never say no to me X2

He burns her high school pictures  
And buries old dreams  
He reads her diary once more  
He cleans the tears from her eyes  
He still can't stand to see her cry  
Her face is broken and sore  
He says,

Never say no to me X2

Never say no to me X4
