A Painting for every face  
No correction, just cover up  
She can't afford to come off  
Cause she's too cold to shiver  
Too cold to shiver  
Too cold to shiver in this cold  
She's too cold to shiver

All the hands along the wall  
Taking time to break her fall  
Lines divide the heart in two  
Empty as the shadows walking over you  
Over you  
She's walking over you  
Breaking the fall over you

(Always want to)  
(Watch her) Lines divide the heart in two (Find you)

(Hallway walk through)  
(Make her) Shadow walking over you (Blind you)

Pictures for every place  
No affection, just shut her up  
She can't afford to make it hot  
Cause she's too cold to shiver  
Too cold to shiver  
Too cold to shiver in this cold  
She's too cold to shiver

All the eyes behind the wall  
Taking time to watch her crawl  
Broken hearts are never true  
Empty as the shadows walking over you  
Over you  
She's walking over you  
Watching her crawl over you

(Always want to)  
(Watch her) Broken hearts are never true (Find you)

(Hallway walk through)  
(Make her) Shadows walking over you (Blind you)

(Always want to)  
(Watch her) Broken hearts are never true (Find you)

(Hallway walk through)  
(Make her) Shadows walking over you (Blind you)
