Flat on my back again  
Feeling like deadwood  
Floating downstream  
Let the current take me

Flat on my back again  
Feeling like deadwood  
Floating downstream  
Let the current take me

Cause I can't get started  
My wheels are frozen solid  
I can't get started  
Stuck in the muddle of my life  
Can't get started  
And I try and I try and I try and I try  
But I can't get started  
Here comes the slide  
The long downhill ride

Flat on my back again  
Feeling like a bag of bones  
Tossed aside in a heap  
I Let the earth reclaim me

Flat on my back again  
Feeling like a bag of bones  
Tossed aside in a heap  
I Let the earth reclaim me

Cause I can't get started  
No matter how much I punish myself  
Can't get started  
Stick in the mud man  
Puddle of blood man  
Can't get started  
And I try and I try and I try and I try  
But I can't get started  
Here comes the crash  
Double lightning flash

Sometimes I need a little push  
Can't kick my motor hard enough  
Sometimes I need a little shove  
Can't turn it over fast enough  
Sometimes I need a little push  
Can't kick my motor hard enough  
Sometimes I need a little shove  
You ain't pushing hard enough

Ain't pushing hard enough  
I'm just about run out of gas  
Ain't pushing hard enough  
Need a little... inspiration  
Ain't pushing hard enough  
Come on I know you can put me over the edge  
Ain't pushing hard enough  
You Ain't pushing hard enough now!

Flat on my back again  
Feeling like deadwood  
Floating downstream  
Let the current take me

Cause I can't get started  
My wheels are frozen solid  
I can't get started  
Stuck in the muddle of my life

Can't get started  
And I try and I try and I try and I try  
But I can't get started  
Here comes the slide  
The long downhill ride

Sometimes I need a little push  
I can't kick my motor hard enough  
Sometimes I need a little shove  
I can't turn it over fast enough  
Sometimes I need a little push  
I can't kick my motor hard enough  
Sometimes I need a little shove  
You ain't pushing hard enough

Ain't pushing hard enough  
I'm just about run out of gas  
Ain't pushing hard enough  
Need a little... inspiration  
Ain't pushing hard enough  
Come on I know you can put me over the edge  
Ain't pushing hard enough  
You Ain't pushing hard enough now!
