

My Dad Is Dead

"I Had A Dream"

I had a dream full of tired old cliches.
People saying "I love you" out loud
Standing in the middle of large crowds.

And I was not afraid.
And I was not ashamed.

I never wanted to wake up
From a dream to pedestrian makeup.
I never wanted to wake up,
I never wanted that party to break up.

I had a dream. There were no secrets anymore.
No reasons to wage war.
No reasons for fighting at all.

And I was not afraid.
And I was not ashamed.

I never wanted to wake up
From a dream to pedestrian makeup.
I never wanted to wake up,
I never wanted that party to break up.
