Mmmmmmmmmmm...

The woods eats the woman and dumps her honey-body
in the mud
Her dress floats down the well and it assumes the
shape of the body of a
Little girl

Yeah i recognize that girl
She stumbled in some time last loneliness
But i could not stand to touch her now

Deep in the woods
Deep in the woods

Saying dead into belly and death into shoulder

Deep in the woods yeah
Deep in the woods a funeral is swinging.

And
