Scooch "For Sure "

Ba-dup-bup-baya  
Ba-dup-bup-baya-ba-da-bup  
Ba-dup-bup-baya  
Ba-dup-bup-baya-ba-da-bup (ow)  
Ba-dup-bup-baya  
Ba-dup-bup-baya-ba-da-bup  
Ba-dup-bup-baya  
Ba-dup-bup-bayaâ€!  
Ba-dup-bup-baya-ba-da-bup, baaaâ€!

Monday, I thought I saw him smile  
Tuesday, I caught that look in his eye  
As he was walking by

Wednesday, was when he asked me out  
Thursday, I was left in no doubt  
About the way I felt  
And now I'm not alone, because I know

I love him that's for sure  
And I'll never let him go  
Ba-dup-bup-baya-ba-da-bup, baaaâ€!  
Never felt this way before  
Not afraid to let it show  
Is it really a wonder  
The spell I've been under  
Has no cure I love him that's for sure

Friday, I just couldn't wait  
Saturday, we stayed out until late  
And he will remain  
Someone to call my own, because I know

Chorus

I love him that's for sure  
And I'll never let him go  
Ba-dup-bup-baya-ba-da-bup, baaaâ€!  
Never felt this way before  
Not afraid to let it show

Is it really a wonder  
The spell I've been under  
Has no cure

I love him that's for sure  
And I'll never let him go  
Ba-dup-bup-baya-ba-da-bup, baaaâ€!  
Is it really a wonder  
The spell I've been under  
Has no cure I love him that's for sure

Ba-dup-bup-baya  
Ba-dup-bup-baya-ba-da-bup  
Ba-dup-bup-baya  
Ba-dup-bup-baya-ba-da-bup, baaaâ€!  
Ba-dup-bup-baya  
Ba-dup-bup-baya-ba-da-bup  
Ba-dup-bup-baya

And now I'm not alone  
Because I know
