I've been looking
I've been searching
I've been seeking
But I can't find love

I've been driving endless hours
There's nothing doing
I can't find love
On cold mornings
Sun drenched evenings
Through restless dreamings
Everywhere
In the papers
On those talk-back television shows
Asking all my friends
Even they don't know

I've been looking
I've been searching
I've been seeking
But I can't find love

In the stories
That I've been reading
Then repeating
Over and over again
In that dead space
Behind your pretty sky blue eyes
Wishful thinking
There's nothing there

I've been looking
I've been searching
I've been seeking
But I can't find love

I've been looking
I've been searching
In my own heart
But I can't find love
