"Sirens"

It seems like this summer's never ending
Can you feel the hot wind blow
It comes at the same time every year
We stay out half the night to hide
From sleeping in our homes
It's the north wind

Here come the Sirens
Hear them roar... Once more

I lay back in my room with dark red curtains
Wake up to the trucks outside my door
Short of sleep
And the sky tonight it's a deadly one
It hardly lets us breathe
Like Ash Wednesday

Here come the Sirens
Hear them roar... Once more

And when I'm hot I like the fast songs
But when I'm tired and I can't sleep
Play them slow
Way down

Here come the Sirens
Hear them roar... Once more
