Stop the World....Dive
kakushi kirenai afureru kono omoi
mou himitsu ni ha dekinai hitomi sorasenai Every city is
overflowing with these feelings
A secret can't be kept by unwavering eyes
dakishimeru omoi no Tension anata e to Reflect
suhada o terasu Passion mo sono mama Evolution
Embracing this feeling of tension..you reflect
Naked, shining passion just as we are...evolution
sekai o tomete mou watashi ga tomaranai
kono yoru ni tobikonde yuku Dive to the night stop the
world again I won't stop
This night is jumping....Dive to the night

Keep on lovin'. Can't stop my heart mou watashi ga

but love won't stop
This jumping ocean is now fighting with you
Keep on Lovin..Can't stop my heart, I won't stop
This love is jumping...Dive to the night
