Scooter
"Break It Up"

Where in the world, where in the world
Where in the world did I get this hurt
I don't mind, yeah, I don't mind

If you call me bad, call me wrong
Call me anything but your own
I don't mind, yeah, I don't mind

I don't care if you leave me
I don't care if you go away
I don't care if you wanted this
I don't mind

Break it up, break it up
Break it up, break it up my love
If you think that you can't stay with me
Break it up my love

Oh, break it up, yeah, break it up
Oh, oh, oh, break it up, yeah, just break it up

So where in the world, where in the world
Where in the world can I hide this hurt
I don't mind, yeah, I don't mind

If you call me sad, call me strong
Strong enough to make it on my own
I don't mind, yeah, I don't mind

If you tear down your walls inside
Go for a brand new ride
But baby, please don't tell me so

Oh, oh, oh, break it up, break it up
Break it up, break it up my love
If you think that you can't stay with me
Break it up my love

Oh, break it up, yeah, break it up
Just break it up, oh, oh, break it up, yeah

Oh, oh, oh, break it up, break it up

Break it up, break it up my love
If you think that you can't stay with me
Break it up my love

Oh, break it up, yeah, break it up
Just break it up, oh, oh, break it up, yeah

Break it up, break it up my love
If you think that you can't stay with me
Break it up my love

Oh, break it up, yeah, break it up
Just break it up, oh, oh, break it up, yeah
