Start it right, keep it up

Yeah I used to say when we were starting up
Now I represent it's still the busy job
Ready to explore and check the microphone
Now back on the floor I want to see you soon

Rockin' the business, so come on and check this
Get up tonight, we gonna make it right
Rockin' the business, so come on and check this
Get up tonight, we gonna make it right

Rockin' the business, so come on and check this
Get up tonight, we gonna make it right
Rockin' the business, so come on and check this
Yeah so call me Manana, Manana

Get up

Yeah I've got some lyrics some lyrics for ya
Now I'm represent since the day I saw ya
Yes I'm the man behind the mike
Live and direct into your mind

Rockin' the business, so come on and check this
Get up tonight, we gonna make it right
Rockin' the business, so come on and check this
Get up tonight, we gonna make it right

Rockin' the business, so come on and check this
Get up tonight, we gonna make it right
Rockin' the business, so come on and check this
Yeah, so call me Manana, get up

Get up
Manana
