(H.P.)

Got you all ready now  
Prepare for the ride  
Droppin' on the bass now  
And do it all night

[Chorus 1]

Gotta get down, gotta get a move on  
You gotta get down, gonna turn you on  
You gotta get down, gonna feel the beat  
Keep em high -  
(Pitched Voice)  
DAVID DOESN'T EAT!

[Chorus 2]

A walk in the park, a step in the dark (Ah)  
A walk in the park, a trip in the dark (Ah)  
I'm getting away, escaping today

[Verse 2]

There's everybody in the place,  
Tell this much is true  
A chain to unlock now  
Let the electrics rule
