Yeah, request
I want everybody as close to the stage as possible
Get that speed
We're going back to the Heavyweight Jam

Let's go out for a walk to the other side
Get the sound, join the crew and you feel alright
No more fiction go back to reality
It's the message so listen and you will see

No illusion the spirit is what you feel
Get the volume tonight, you can make it real
I explain once again, we won't let you down
We can't stop going on that's what I pronounce

Faster harder scooter
We're getting faster harder scooter
We're getting faster harder scooter
We're getting faster harder scooter
Yeah

From Japan and Brazil to the U.S.A.
Let me ask you if there is a better way

Don't you know we just want you are going mad

No bad rumors or charges could make us stop
Now the time has come we will reach the top
I explain once again we won't let you down
We can't stop going on that's what I pronounce
