Comin' at ya like Cleopatra  
Yes

Check us out, close the door  
We're comin' at ya, get some more  
Check us out, what to do?  
This tune is set, it's up to you

I wanna check it out  
Punani, punani  
I wanna check it out

I shot the Dj  
I shot the Dj  
I shot the Dj

Check us out, turn the bass  
We're comin' at ya, right in your face  
Check us out, no control  
From the desk to your soul

I wanna check it out  
Punani, punani  
I wanna check it out

I shot the Dj  
I shot the Dj  
I shot the Dj

I wanna check it out  
I wanna check it out

I shot the Dj  
I shot the Dj  
I shot the Dj  
Yea, c'mon  
I wanna check it out
