What we say?  
Jigga Jigga!  
Welcome to the main arena!

I've always been a party pleaser!  
There's not a doubt!  
I've checked all the ladies out!  
I am the lyrical teaser!  
Addicted to the massive crowd!  
Yeah!

If you love me or you hate me  
I don't give a damn!  
If you really think you're ready  
So let me see your hands!  
Everybody knows  
We've got the floorfiller!  
I am the mic driller!  
Here is the bass killer!  
Yeah!

Full of light  
A distant flame  
There's sunlight fading  
Autumn leaves in the rain  
If you call I will be there

Close to the edge!  
Watch how we mix it up!  
Jigga Jigga!

Ain't never been a trouble maker  
Just finish what you start  
By ripping you apart!  
I'm not a faker!  
I feared like the great white shark!  
Yeah!

If you love me or you hate me  
I don't give a damn!

If you really think you're ready  
So let me see your hands!  
Everybody wants to be a top shotter!  
I work the mic proper!  
Here is the chart topper!  
Yeah!

With the wheeling a dealing a gimme that a feeling!  
Watch out how we gonna lift up the ceiling!  
Yeah!

Full of light  
A distant flame  
There's sunlight fading  
Autumn leaves in the rain  
If you call I will be there

Ring me up!  
Skip to the dip now!  
What we say?

Jigga Jigga!

Oooh! Wo-how!  
Davay-davay-davay!

Jigga Jigga!
