Alright crew,  
Scooter in the house!  
Coming up with the incredible - the legendary - STATUS  
QUO!

Whatever you want,  
Whatever you like,  
Whatever you say,  
You pay your money,  
You take your choice,  
Whatever you need,  
Whatever you use,  
Whatever you win,  
Whatever you loose.

Whatever you want,  
Whatever you like,  
Whatever you say,  
You pay your money,  
You take your choice,  
Whatever you need,  
Whatever you use,  
Whatever you win,  
Whatever you loose.

Stop start - Here we go again,  
On the mic I'm the luckiest man,  
Gonna get, gonna make your body sweat,  
Check my lyrical set and you will never forget!  
I'm the hardcore titan, a legend in time,  
Gonna rock to the rhythm with the lyrical run.  
On the microphone like a nuclear attack,  
Flashback - Going mad like the DJ's on the deck.

Whatever you want,  
Whatever you like,  
Whatever you say,  
You pay your money,  
You take your choice,  
Whatever you need,  
Whatever you use,

Whatever you win,  
Whatever you loose.

Whatever you want,  
Whatever you like,  
Whatever you say,  
You pay your money,  
You take your choice,  
Whatever you need,  
Whatever you use,  
Whatever you win,  
Whatever you loose.

My name is MC Sauce,  
Rebel without a cause,  
I'm the king of slips,  
You better move your hips,  
Rigidy rigidy rough, rigidy rough,  
Can't get enough,  
Rigidy rigidy rough,  
Coming hard and tough.  
I'm the hardcore titan, a legend in time,  
Gonna rock to the rhythm with the lyrical run.  
On the microphone like a nuclear attack,  
Flashback - Going mad like the DJ's on the deck.

Whatever you want - Let me see your hands,  
Whatever you like - This is Michael, Rick and Roy,  
Whatever you need - Francis and the Screaming Lord,  
Whatever you win, whatever you loose.

Whatever you want - Jump only jump jump, I want you to  
scream,  
Whatever you like - Jump only jump jump, I'm the lyrical  
machine,  
Whatever you need - Yeah, yeah, yeah - I want you to  
shout,  
Whatever you win, whatever you loose - Watch out!

Whatever you want,  
Whatever you like,  
Whatever you say,  
You pay your money,  
You take your choice,  
Whatever you need,  
Whatever you use,  
Whatever you win,  
Whatever you loose.

Right now! Yeah!
