*[Pitched voice:]* Always lived my life alone,  
Been searching for the place called home.  
I know that I've been cold as ice,  
Ignored the dreams, too many lies.  
Somewhere deep inside, Somewhere deep inside me,  
I found ... the child I used to be  
And I know that it's not too late  
Never too late...

3 AM!  
The painted cow !  
Hiaaaaa!!  
You ain't stoppin' us now !  
Wonderful human beings  
Yeah ! I am the Junglist souldier.

Come On! The rocket launcher stops ya.  
It's not a bird, it's not a plane  
It must be Dave who's on the train  
Wanna wanna get'cha, gonna gonna get'cha  
Tell them that I told ya  
YEAH!

*[Pitched voice:]* Always lived my life alone,  
Been searching for the place called home.

I know that I've been cold as ice,  
Ignored the dreams, too many lies.  
Somewhere deep inside,  
Somewhere deep inside me,  
I found ... the child I used to be  
And I know that it's not too late  
Never too late...

Allright  
Are you ready ? It's not a game.  
I chant so much, I turn you insane.  
Wanna wanna get'cha, gonna gonna get'cha  
Messing up the area  
YEAH!

Come On !

I am the freshman  
Messing up the jam !  
Turning up the stereo  
Join the caravan

Skippy, the rain won't come !

*[Pitched voice:]* Somewhere deep inside,  
Somewhere deep inside me,  
I found ... the child I used to be  
And I know that it's not too late  
Never too late...
