Alright crew  
I am a junglist man  
Don't try to change my plan  
Right

Flip that coin, see what you get  
It's MC Dave, who's on the set  
Left, right, left, right  
Push up the mic  
Four, three stand at ease  
Turning forty five degrees  
I'm doing it for the massive  
I'm doing it for the crew  
Going to make you hop and skip around  
Like a kangaroo  
Get em, get em  
When I'm on the mic  
When I'm on the mic I rinse out rhythm  
Get em, get em  
When I'm on the mic  
Bring the beat back

Shake that !  
Right

We love you lots, ten outta ten  
Selector gimme that, a mix and blend  
Left, right, left, right  
I got the vibe  
Four, three come on please  
Turning there like killer bees  
I'm doing it for the massive  
I'm doing it fast or slow  
When I'm in charge of the microphone  
Watch out I'm about to blow  
Get em, get em  
When I'm on the mic  
Time to inject

Shake that !  
Right

I never say no to return to the floor,  
Your raw  
Wanna test my crew  
You better be sure  
Here we come straight between the eyes  
Life without knowledge is death in disguise

Shake that !  
Come on  
Shake your booty now !  
Right
