This one's going out to everybody in the
place(MISAGH SALAM!)

Sounds of the track - attacker

Go ahead!

Yes!

Here comes the chicks, terminator

In control

'pon the mic I'm the teacher

Spread my words like a preacher

Cut the crap, get a slap

Drum and bass still on the map

'Pon the mic you can't stop me

Flat on your back like 1,2,3

Yeah, here we come!

Chorus:

Love in a woman's heart

I wanna have the whole and not a part.

Strange that this feeling grows more and more

'cause I never loved someone like you before.

Alright crew, it's weekend!

Yes, we are not the monkeys

But we've got the key

I'm the fast chatter

No one better than me

Yeah

'pon the mic I'm the teacher

Spread my words like a preacher

Cut the crap, get a slap

Drum and bass still on the map

'Pon the mic I'm the voodoo

The destination is zulu

Here we come! Here we go!

Chorus:

What is essential is invisible to the eye

It's only with the heart that you can see rightly

Yeah

Chorus:

Respect to the men in the icecream van
Over and out
