Here i go.. out to rave again.. Hardcore fills the air.. the sound above my hair. Lights in the sky.. and in my eyes.. you know that feels unfair.. there's party everywhere. Here i go.. out to rave again.. Hardcore fills the air.. the sound above my hair. Lights in the sky.. and in my eyes.. you know that feels unfair.. there's party everywhere. Let's go.. comon.. we got the energy.. if you want it you get it.. yeah. Together.. where are you. Here i go out to rave again.. hardcore fills the air.. the sound above my hair.. light in the sky and in my eyes.. you know it feels unfair there's party everywhere. Here i go out to rave again.. hardcore fills the air.. the sound above my hair.. light in the sky and in my eyes.. you know it feels unfair there's party everywhere. Here we go.. yeah.. and once again.. let me see you smile.. i wana here you. Here i go out to rave again.. hardcore fills the air.. the sound above my hair.. light in the sky and in my eyes.. you know it feels unfair there's party everywhere. The sound above my hair
