Alright crew!

This is the sound of Bloodhound Gang,

Comin' up with the bangin' tune,

And Scooter's got the remix!

Right

This song is called "Uhn Tiss!"

C'mon Jimmy!

(Bloodhound Gang)

Dog will hunt I'm the front end loader travoltin' over so
try my slam on for size

Drive stick with that kung-fu grip let the banana split
and watch it go right to your thighs

Cop a feel copperfield style abracadabra that bra do
you think I can pull it off?

Wanna bang around? just jot me down on your to-do
list under "put out like a fire" 'cause

Edible strange how do I get in your pants when you're
tick tockin' them

Serious levis? so tight can't be classified that's why I'm
here to fill that opening

Make a seasoned pass to mount that ass and bob hope
that I might one night stand a chance

Let's go Feng Shui the fuck around my digs like a
superball bring that sunny side up and

I got somethin' and it goes thumpin' like this

Edible strange how do I get in your pants when you're
tick tockin' them

Serious levis? so tight can't be classified that's why I'm
here to fill that opening

Make a seasoned pass to mount that ass and bob hope
that I might one night stand a chance

Let's go Feng Shui the fuck around my digs like a
superball bring that sunny side up and...

Uhn tiss uhn tiss uhn tiss

I got somethin' and it goes thumpin' like this...
