This one is going out to everybody in the place  
Sounds of the track attacker, go ahead  
Yes here comes the chicks terminator  
In control

'Pon the mic I'm the teacher, spread my words like a  
preacher  
Cut the crap, get the slap, drum 'n' bass's still on the  
map  
'Pon the mic you can't stop me  
Flat on your back like one, two, three yeah, here we  
come

Love in a woman's heart  
I wanna have the whole and not a part  
Strange that this feeling grows more and more  
'Cause I've never loved someone like you before  
Alright

Love in a woman's heart  
I wanna have the whole and not a part  
Strange that this feeling grows more and more  
'Cause I've never loved someone like you before  
Bass drum

Love in a woman's heart  
I wanna have the whole and not a part  
Strange that this feeling grows more and more  
'Cause I've never loved someone like you before

Yeah, alright, crew, it's weekend  
Yes, we are not the monkeys, but we've got the key  
I'm the fast chatter, no one's better than me  
Yeah

'Pon the mic I'm the teacher, spread my words like a  
preacher  
Cut the crap, get the slap, drum 'n' bass's still on the  
map  
'Pon the mic I'm the voodoo, the destination of Zulu  
Here we come. here we go

Love in a woman's heart  
I wanna have the whole and not a part  
Strange that this feeling grows more and more  
'Cause I've never loved someone like you before  
Yeah

Love in the women's heart  
I want it as a whole and not a part  
Strange kind of feeling comes more and more  
'Cause I never loved someone like you before  
C'mon

What is essential, it's invisible to the eye  
It's only with the heart, that you can see rightly, yeah

Love in a woman's heart  
I wanna have the whole and not a part  
Strange that this feeling grows more and more  
'Cause I've never loved someone like you before

Love in a woman's heart  
I wanna have the whole and not a part  
Strange that this feeling grows more and more  
'Cause I've never loved someone like you before  
Chilly bow, yeahaa

Respect to the man in the ice cream van  
Over and out
