Na na na na na
It's a girl thing
It's a girl thing
Na na na na
Oh, it's a girl thing
It's a girl thing

She removed your name
From the speed dialler screen
And now you don't exist yeah
'Cos it's a girl thing
In her arms or in her clutches,
You'll never know just what she thinks
'Cos it's a girl thing

Hey Hey,
Na na na na na
It's a girl thing
It's a girl thing
Na na na na
Oh, it's a girl thing
It's a girl thing

Her Achilles heel is your broken heart
Learn amateur dramatics and melodrama
And in a fit of passion,
She'll cry your name right
How touching
'Cos it's a girl thing

Hey Hey,
Na na na na na
It's a girl thing
It's a girl thing
Na na na na
Oh, it's a girl thing
It's a girl thing.

It's a girl, girl
It's a girl thing

Needing more Viagra and less Ventolin?
She's had enough of those disco biscuits
Their heavy petting after soda and caustic

Na ha ha
Na na na na na
It's a girl thing
It's a girl thing
Na na na na
Oh, it's a girl thing
It's a girl thing
Na na na na
Oh, it's a girl thing
It's a girl thing
Na na na na
Oh, it's a girl thing
It's a girl thing

Now
You're in the bargain bin
'Cos it's a girl thing, girl
It's a girl, girl
It's a girl, girl
It's a girl, thing
Girl, thing
Girl, thing
