Gomen ne sunao ja nakute  
Yume no naka nara ieru  
Shikou kairo wa SHORT sunzen  
ima sugu aitai yo

Nakiteku naru yo na MOONLIGHT  
Denwa mo dekinai MIDNIGHT  
Datte junjou doshiyou

Tsuki no hikari ni miichibikare  
Nando mo meguriau

Seiza no matataki kazoe  
Uranau koi no yukue  
Onaji kuni ni umareta no MIRACLE ROMANCE

Moichi do futari de WEEKEND  
Kami-sama kanaete HAPPY END  
Genzai kako mirai mo

I'm sorry I'm not gentle

I can say that in my dreams  
My thoughts are about to short circuit  
I want to see you right now

I cry in the moonlight  
Because I can't call at midnight  
Because I'm so naive, what can i do?  
My heart is like a kaleidoscope

Guided by the light of the moon  
We meet each other again and again

The twinkling count of stars  
Foretells love's whereabouts  
We were born in the same country  
Miracle Romance

May we have one more weekend  
Oh God, please grant us a happy end  
In the present past and future  
I'll always be in love with you

When we first met, that dear  
Glance you gave me, I won't forget

From out of the million stars  
I'll find you  
Changing coincidences into chances  
I love this way of life

A mysterious miracle is headed our way  
We meet each other again and again

The twinkling count of stars  
Foretells love's whereabouts  
We were born in the same country  
Miracle Romance  
I believe in it  
Miracle Romance
