So now you want the whole world  
To notice that you've come around  
Now you expect we'll see how  
You're really so much better now  
But I know the truth  
I won't waste my youth  
On a cad and a bounder  
A dog and a cheat  
All the lives that you've had  
All the hearts you eat  
You're a rascal and a rogue  
A villain and a crook  
Still I tug at your line  
I'm a fish on your hook  
I should be better, but I'm worse  
What's the point pretending  
That you could be a better man?  
Just give in, since you always end up  
Right back where you began  
Still I know the truth  
But I have a sweet tooth

For a cad and a bounder  
A dog and a cheat  
All the lives that you've had  
All the hearts you eat  
You're a rascal and a rogue  
A villain and a crook  
Still I tug at your line  
I'm a fish on your hook  
You're rash and you're hasty  
You're reckless with my heart  
Still I wait by the phone  
I don't ever get smart  
I should be better, but I'm worse  
Still I know the truth  
But I have a sweet tooth  
For a cad and a bounder  
A dog and a cheat  
All the lives that you've had  
All the hearts you eat  
You're a rascal and a rogue  
A villain and a crook  
Still I tug at your line  
I'm a fish on your hook  
You're rash and you're hasty  
You're reckless with my heart

Still I wait by the phone

I won't ever get smart

I should be better, but I'm worse
