

Bitter Life Typecast, The "Breathe Through The Glass"

Visit "[Breathe Through The Glass](#)" on MotoLyrics.com

the day has ended
and so has life
speak of things
that don't make sense
the crashing wind
blinds my eyes
let me see you one more time

breathe through the glass
as you drink what weakens you

write down every heart-felt moment
teach me how to smile
i will take my chances
hit the walls, i am blind
can i ask you to hold me
just one time
i am waiting for someone

i said, nothing
wake me up when you're gone

the letter's torn but i keep it in
just like anger, just like you
the crashing wind, that burns my eyes
let me see you one more time

breathe through the glass
as you drink what weakens you

i said, nothing
wake me up when you're gone

i said, nothing
promise i wont say a word

i said nothing
letter's torn but i keep it in

i said nothing
the day has ended and so has life
