Come you with me  
Start the beginning  
My hand near your hand  
Hold my hand

I can't live alone  
Alone in this world  
Please, come with me  
Start the beginning  
(You make me believing)

You make me strong  
You make me believe  
Forever again  
You make me cry  
Please, come with me  
Stay with me tonight  
(Stay with me tonight)

My friend, you and me  
Always near me  
Always one thing  
You stay with me

Start all again  
Look in my eyes  
You make me strong  
You make me believe in  
(To make me believe in)

You make me strong  
You make me believe  
Forever again  
You make me cry  
Please, come with me  
Stay with me tonight  
(Stay with me tonight)

I'm sick of this time  
Stay with me tonight  
Your hand next to mine

I can't live alone  
(I can't live alone)

You make me strong  
You make me believe  
Forever again  
You make me cry  
Please, come with me  
Stay with me tonight  
(Stay with me tonight)
