Take me up  
take me up

Take me up  
take

Take me up  
take me up.

Don't ask me why are you waiting for love  
tonight.  
Please  
take me in hastily  
I have a good time  
it's right.  
Come with me and sing forever  
I believe it's raining here.  
What you gonna do tomorrow if you wanna be my star?  
Look the rainbow at the mountain  
stay with me  
  
give me your time.

You take me up with anything  
you take me up with anything  
You take me up with anything  
you take me up with anything.  
Don't ask me why are you waiting for love  
tonight. . . .  
What you gonna do tomorrow if you wanna be my star?  
Look the rainbow at the mountain

stay with me  
give me your love.  
You take me up with anything

you take me up with anything. . . .  
Take me up  
take me  
take me up

take me up

take me up  
up  
up.
