Little Johanne  
Red week can  
Keep your lid on the sand  
Little Johanne  
It shouldn't be hard  
To stay in the dark  
You grow your hair long  
Stay out of the sun

And I never get enough  
Hanging round you  
Never get enough  
Hanging round you  
Yes, I'll never get enough  
Hanging round you  
Never get enough  
Hanging round with you

Little Johanne  
You stick to the plan  
Wherever you can  
Little Johanne  
Again and again  
I try to pretend  
But every once and a while  
There will be time

Cause I never get enough  
Hanging round you X3  
Little Johanne X4
