Lost my job at McDonald's  
Kept droppin' burgers on the floor  
Everybody knows I ain't nothin' but a fool  
So mama won't ya send me to gittar school  
Got the money, so I'm in the door

Bought me a shiny 'lectric gittar  
Baddest gittar in the store  
Came with a wire an' a funny little pin  
And the school is gonna teach me to plug it in  
Got the money with the highest score

Takin' the bus to Hollywood  
Gonna be so fine  
Big swimmin' pools and movie stars  
Gonna have a real good time  
A real good time

Got no more time fo' lessons  
Learned some chords an' got a tan  
Now I'm gone up to Seattle way  
Gonna play my chords in a big grunge band
