I know your name
It aint gonna change
My Lady P
Won't let you in
Guilty as sin
My Lady P

Ooooh what a night
A dream in black and white
Callin' to me
Can't look away
It aint my day
My Lady P

Well I don't wanna say
Let her go
She can change
I know
Can I look away
Eyes o' blue
Not today
Ooooooooooh

Lady P
Set me free
Lady P
Not on me
Got no trainin'
Yeah it's true
There she goes
Ooooooooooh

I know
Where she'll go
Lady P
You wanna bet
My floor is wet
Lady P
