Feed me once in the morning
Feed me once at night
Don't turn me loose in the daytime
'Cause you know I'll eat everything in sight

Well I don't want to ride for nothin'
What do you want me to do
But when I do what I should
Just tell me that I'm doin' good 'Cause baby I'm the
same as you

Got a bad libido
Always in the mood
Just get me all excited
I'll jump on anything that moves

Now there's no doubt in my mind where I'm goin'
I've got my instincts to guide my way
I've got no time to see
If there's a future for me
I'll just keeping goin' on my way

Say I'm always friendly
Got no reason to be mad
Just stay away from my yard, boy
'Cause you don't want to see me when I'm mad
