They tore down my old house baby
Ain't nothin', nothin' but a patch of land
They tore down my old house baby
Ain't nothin', nothin' but a patch of land

And you know all that's left baby
Is some letters in the mailbox
Lying in the sand

Gotta change o' address baby
Long and far away
Gotta change o' address baby
Long and so far away

Well you know I had to leave you
No matter what the cost
Darlin', everything I knew and loved was lost
