I said go, I said baby don't wanna go
I said freeze, I said baby don't wanna
freeze

And if it's night or day we don't care
if what we get along whatever you do
And it won't be long 'till they get my
file and turns it black as black as
afternoon
And turns it black as black as
afternoon

I said you, I said you and me and her
I said us, I said us makes white a blur
And if it's night or day we don't care
if how we get along whatever you say
And it won't be long 'till they get my
file and turns it black as black as
grey
And turns it black as black as grey

I said you, well you do...

We don't care if you care for the mob
We don't care if you care for the sub
We don't care if you care for the mud
Cause we've got motown blood in our
veins
Cause we've got motown blood in our
veins

I said move, I said baby don't wanna
move
I said groove, I said baby don't wanna
groove
And if it's night or day we don't care
if what we get along whatever you do
And it won't be long 'till they get my
file and turns it black as black as
afternoon
And turns it black as black as
afternoon

I said you, well you doâ€¦

We don't careâ€¦
