running outta time cuz my luck just changed  
curtain opens and they're calling my name  
but can't get over thinking about you  
i wanna let you know that i feel the same  
girl this is love but it aint no game  
but i just really don't know what to do  
now i cant leave you here in pain  
while they're calling out my name  
say you feel the flame but can you feel the burn  
this is driving me insane  
screws are loosened in my brain  
i have everything to gain  
but i don't want to lose you

baby i don't know where to run  
i dont know where to turn  
im your earth your my sun  
this rotation just begun  
i don't know what to do  
i can't get over you  
baby what im trying to say is this

baby i don't know where to run  
i dont know where to turn  
im your earth your my sun  
this rotation just begun  
i don't know what to do  
i can't get over you  
baby what im trying to say is this  
tell me what if

girl this is hard you know how long i've waited (for this)  
your my number one fan nothing short of amazing  
girl i know i owe it to you  
i just can't do it cuz you are my boo and i'd do anything

but i cant leave u here in pain  
while they're calling out my name  
say you feel the flame but can you feel the burn  
this is driving me insane  
screws are loosened in my brain

i have everything to gain but  
i don't want to lose you

baby i don't know where to run  
i dont know where to turn  
im your earth your my sun  
this rotation just begun  
i don't know what to do  
i can't get over you  
baby what im trying to say is this

baby i don't know where to run  
i dont know where to turn  
im your earth your my sun  
this rotation just begun  
i don't know what to do  
i can't get over you  
baby what im trying to say is this  
tell me what if  
(what if)

i got to leave to be the man i was made to be (what if)  
baby this is where the road ends for you and me (what if)  
maybe you and i we just cant be as destiny (what if)  
we werent meant to be maybe this is make believe  
(what if)

i got to leave to be the man i was made to be (what if)
