With the wit of a gnat  
And you're tit for tat  
Well I'm sick of that  
You little dingbat  
You little dingbat  
Well it's not too deep  
And it's not too shallow  
There's just enough room for me to wallow  
Wallow

Oh my god  
He grabbed my tit  
Did you give him a slap?  
Cuz he was lit  
Did you slap him back?  
Slap

Well we used to have such a great friendship  
Now I'm sittin' on the battleship  
The battleship

With the wit of a gnat  
And you're tit for tat  
Well I'm sick of that  
You little dingbat  
You little dingbat

Yeah it's not too deep  
And it's not too shallow

There's just enough room for me to wallow  
Wallow

Yeah you can't finish but you can dish out the shit  
And you can tie a knot and it held till you will fall  
Maybe a little more than you thought  
Maybe a little more than you thought

Yeah you can't finish but you can dish out the shit  
And you can tie a knot and it held till you will fall  
Maybe a little more than you thought  
I used to think about thoughts

And I thought that you might think  
But you ran the table  
And you scratched on the eight  
But you ran the table  
And you scratched on the eight

You sank my battleship
