Said love  
Fear  
And emotion  
Stay separate  
But can we laugh  
When humor within us  
That is key  
Can we ever see eternity  
Or do we bore ourselves to death  
Eternity  
Eternity  
Time  
Time goes by and nothing changes  
Have you ever seen a cop that smiles  
Still playin' with rattlesnakes  
Cuz jokes like that  
But here we are  
With limitations taking place today  
Can we laugh at ourselves

Or do we fool ourselves today

Oh what  
Time goes by and nothing changes again  
Have you ever seen a cop that smiles  
Well here we are  
With limitations sticking day to day  
Still playin' with rattlesnakes today  
Still playin' with rattlesnakes today  
Still playin' with rattlesnakes today  
Still playin' with rattlesnakes today  
Still playin' with rattlesnakes
