I want it  
Give it to me  
I love it  
Don't give it to her  
You've gotta give it to me

I want it  
I saw it first  
I want it worse

I love it  
Give it to me

I love it  
I love it  
Give it to me

So maybe I didn't see it first but I'm the one who wants  
it worse  
I don't even know what I'm wantin' yet but I know I'm  
wantin' somethin'  
I don't even know what I'm missin' yet but I know I'm  
missin' somethin'  
And if this is my name does it have to be my life  
'Cuz I'm not gonna sit around while your with your wife  
I want it  
Give it to me  
I love it  
Don't give it to her  
You've gotta give it to me

Me, me, me  
Me, me, me

Yeah I wouldn't know when to share and I'm suprised  
that I shoud dare  
Well I'm the bitch and you got the itch I'm sorry said go  
fish  
Yeah I'm the bitch and you got the itch I'm sorry said go  
fish

She didn't have it

He didn't have it

I will have my cake and I will eat it too just like you  
You better watch out what you're wishing for  
I will have my cake and I will eat it too just like you
