featuring Marisol Angelique

Everytime I see you I just can't help it
The tensions so thick it gets steamy
I know that you want to you will not regret it
But hurry I will not wait endlessly
Come closer darling a little bit more
The timing is just right I want you tonight so

[Chorus:]

Kiss me
Don't you wanna make me feel good
I know it's really what you want
And boy I really think you should
Kiss me
Why are you standing there loco
Ven a besarme un poco
Besame

Now I like a good wait as much as the next girl
The anticipation builds steadily
There's no mistaking I'm losing control
I want you to be here right next to me
Come closer darling a little bit more
The timing is just right I want you tonight so

[Chorus:] x2

Besame, Besame, Besame, Besame
Besame,
(I wanna feel your soft lips on mine)
Besame,
(I wanna feel you all the time)
Besame

[Chorus:] ã—2

Besame, Besame, Besame, Besame
Besame, Besame, Besame, Besame,
Besame
