Gotta get some inspiration
Believe me, release me
And I don't mean no conversation
So reach me, retrieve me

I want somebody to set my soul on fire
So give me someone who'll love me down
I need someone divine

[Chorus:]
Send me an angel
Tonight, tonight
Alright
Send me an angel
Tonight, tonight
Alright

Want someone to feed my senses
To feel me, to heal me
I'm takin' care of all expenses
So use me, seduce me

I look so good I'm a devil in disguise
Now send me someone to love right now
I need someone divine

[Chorus:]
Send me an angel
Tonight, tonight
Alright
Send me an angel
Tonight, tonight
Alright

Take me where you want
Cause I'm yours tonight
Show me to the heavens above
Give me what I need
For my hungry eyes
Fill me up inside with your love

[Chorus:]
Send me an angel
Tonight, tonight
Alright
Send me an angel
Tonight, tonight
Alright
