[Verse 1:]

I feel too weak, when you come around  
No good for me, gonna bring me down  
You fill me up with desire  
this fantasy is messin' with my head  
You look my way my heart goes  
boom boom boom boom boom  
Givin' into your temptation  
Baby I should leave

[Chorus 1:]

Cause once you break through my defences  
And when I feel you take control  
Once you let it in love never let's you go  
(won't let you go)

[Verse 2:]

Look in your eyes got me into deep  
And when you smile boy you're killin me  
I can't give into the moment  
I must be strong gotta walk away  
You call my name my heart goes  
boom boom boom boom boom  
Givin' into your temptation  
I know I should leave  
Fallen into this emotion  
Someone help me please

[Chorus 2:]

Cause once you break through my defences  
And when I feel you take control  
Once you let it in love never let's you go  
(won't let you go)  
And when I give into my senses  
Gonna feel it overflow  
Once you let it in, love never let's you go  
(won't let you go)  
Everyday Oh  
so strong I feel it, so strong  
Takin over  
so strong I feel it, so strong

Takin over  
Everyday in everyway, inside of me I feel it  
Takin over
