You are the only one - yeah - baby - yeah yeah

[Verse 1:]

I can see clearly I know what I want for the first time in
my life
It's laid out before me, the feelings so strong you could
cut it with a knife
(I wanna) touch you, caress you and make you feel
good, like you're the only one
(I wanna) show you I mean it, stop playing my games
you're the only one

[Chorus:]

You're the only one, who can do what you do
You're the only one, who can say what you you say
You're the only one, I wanna be with tonight
You're the only one, who means anything
You're the only one, who is everything
You're the only one, I wanna be with all night
You're the only one in my life
I could never leave if you were inside my life

[Verse 2:]

I know what I want and I'm wanting it now I will not let
go
I know what I feel and I'm feeling it now going with the
flow
It's too late for regrets, and there's no turning back I
know what we've been through
I can see all the signs, it's there in your eyes I know you
want it too

[Chorus:]

you're the only one, who can do what you do
you're the only one, who can say what you you say
you're the only one, I wanna be with tonight
you're the only one, who means anything
you're the only one, who is everything
you're the only one, I wanna be with all night
You're the only one in my life
I could never leave if you were inside my life

You're the only one in my life
I could never leave with you here inside my life
