If I never get to see another rainbow  
Or share another life with a friend  
If I never stand barefoot by the ocean  
Or get to kiss my child goodnight again

If I never have another prayer that's answered  
Or have another blessing come my way  
If this is all I know of heaven's kindness  
Father, I would still have to say [unverified]

You have been good  
You have been good  
And I may've wondered how could it be

You have been good  
You've been so good  
So many ways You've been good to me

You've shown me mercy upon mercy  
Grace upon grace, time after time  
And I know all too well what I'm deserving  
Yet, You are still so patient and kind

You have been good  
You have been good  
And I may've wondered and how could it be

You have been good  
You've been so good  
So many ways You've been good to me

Suddenly it all were ended  
And your past sins disappear  
Looking back over a lifetime  
The evidence is clear

You have been good  
You have been good  
And I may've wondered how could it be

You have been good  
You've been so good

So many ways You've been good to me

You have been good  
You have been good  
And I may've wondered how could it be

You have been good  
You've been so good  
So many ways You've been good to me

So many ways You've been good to me
