Mighty men have fought with me all these years.  
Friends  
We've lost,  
Heroes were born. In every battle we felt the death  
Touching our spirits,  
And the fear became part of our lives. But now it's the  
Time. The  
Journey is coming to an end. As the final battle get  
Closer, our hearts seem  
To burn in our chest. The blood will be spilt for the  
Last time.  
Forever.

Hey, honoured warriors  
The time has come  
Fight 'till death  
For the king, for the throne, for the land

While we move towards the enemies  
The lost hope reborns in our eyes stronger than ever  
Soon we start to hear the screams of pain and despair,  
What make us feel stronger  
The throne belongs to our king - Our Kingdom is Rising  
Again!
