Hardcore! Repulse! My  
Scene-the hardcore!  
One for all and all for one!  
Against a crowbar there is  
No reception if there isn't another crowbar, but it is  
Useless to beat that  
Crowbar against a wall of concrete!  
Hardcore!  
One for all and all for  
One!  
We are hardcore and repulse all of them - as to  
Authorities and fascists.

One for all and all for one, we are in this scene - we  
Are hardcore!  
Hardcore,  
Gotta repulse! All friends are with you! Your scene is a  
Wall of concrete

That's our own terror, dÃ¼sseldorf hardcore, scene of  
Hardcore - in unity  
Against authorities and fascists!
