Mi Amor...
I'm goin' crazy
In la calle
Bitches
Ciao
Pato
Tengo un sentimiento
That Death is calling me
Would you help me keep the faith?
Realness...

(Chorus 2x)
If I ever die stabbed then
Don't cry for me
And never lie tell me wanna
Bear a child for me
Take a while to be tellin' me how
Life can be
Make my fantasies,
Reality

Un amor chiquita
One love baby
Don't mean to take it out on you
But this world got me crazy
Please don't hate me
Cuz I don't make ya my wife or my lady
LORD!
Don't let her play me
I'm confused
So I'm fused on my mind with the L
High in my cell
Visualize a hell
And only when I see you it gets simple
Hit me with some baby lotion fingertips
Never stops my mental
They have you sent you to save me
From the shady
Good, I haven't seen you lately
I always chill by your window lookin up in the sky
Gettin Twiztid,

Make it happen
Don't just wish it
It's what you whispering
Being vicious, or be a statistic
And didn't try and dismiss it
I grab her lips I kissed it
My lifes I got to risk it
She made my soul rise and shine

(Chorus 2x)

If I ever die stabbed then
Don't cry for me
And never lie tell me wanna
Bear a child for me
Take a while to be tellin' me how
Life can be
Make my fantasies,
Reality

It's strictly love here
With double dubs here
Weed air
With a little fuck here
Fuck yeah
I'm just playin'
But that's it put a dab here
For the fat kids
The fat kids
From all the tears
For mad years
We been through it all
Now she diss me to wake up tall
Ya can't fall
Nothing to lose but this
Myzery
Given to me by heridity
Bitches understanding me
On the brink like the enemy
On the edge of insanity
Bring me back to reality
Think about your mom and your sis
In and out of struggle shit
If you want
I'll bring ya to a gig
Look it nena,
That's why I cry for you
Die for you
Never had a reason to even lie to you
As we spark this
For my fam and the darkness
Boriquas, Myzery yo I'm bout to start this

(Chorus 2x)
If I ever die stabbed then
Don't cry for me
And never lie tell me wanna
Bear a child for me
Take a while to be tellin' me how
Life can be
Make my fantasies,
Reality
